Text @rotcmom to 81010

## General Information

### Description

**PURPOSE:** To build on the general knowledge presented in Naval Science 1, to further develop the traits of citizenship and leadership, and to introduce cadets to the influence of sea power throughout history from the Classical period until today.

### COURSE CONTENT:

- How to Lead Others
- Time management
- Sea Power
- America's Navy after the Civil War to World War I
- World War I and II
- The Cold War, Space Age, and Information Age

### Expectations and Goals

Students comply with all policies, rules, and regulations of Cobb County School District and Sprayberry High School.

Specifically, students should be in the classroom before the bell rings.

On uniform inspection days (**Thursday**), students are to be fully dressed in their uniforms for the entire school day.

On Physical Training days (**Tuesday, Friday**), students are to be dressed in NJROTC-issued athletic apparel with a water bottle.

Students should have a positive attitude about school and contribute to class.

Students are evaluated on effort in all assignments. NJROTC is a citizenship program in which students extend respect and courtesy to all people both in and out of class.

## Policy on Use of Technology

Students are expected to keep all electronic devices at the back of the classroom. Students will be unable to make or receive calls during the school day except in emergency. Plan your communications accordingly.

## Parent-Teacher Conferences

If you have academic or behavior concerns or questions regarding your student, please contact Commander Axel Spens at [axel.spens@cobbk12.org](mailto:axel.spens@cobbk12.org) or 770-578-3200 extension 302.

## Required Materials

Notebook, pencil or pen, and appropriate textbook on lecture days;  
issued athletic apparel AND athletic footwear on physical training days;  
proper (closed toed) footwear on drill days;  
complete uniform on personnel inspection days.

## Textbooks

Naval Science 2, Third Edition (Primary text)  
Introduction to the Navy Junior Reserve Officer Training Corps  
Cadet Field Manual, Drill Manual for NJROTC, 11th Edition  
Cadet Reference Manual, Third Edition

## Grading

Assignments during the semester are 20% formative and 80% summative and will include:

- Aptitude and Uniform - 35% - performance in ROTC, personnel inspection
- Daily Assignments - 30% - (e.g. classwork, quizzes)
- Physical Training - 25%

Final Examination - 10% of total grade.
